Sliding Mitre Saw

TC-SM 216

Item No.: 4300380

Ident No.: 11018

Bar Code: 4006825635706

The Einhell TC-SM 216 drag, crosscut and miter saw is ideally equipped for all sorts of workmanship jobs. The high-grade carbide saw blade also cuts through wide workpieces thanks to its smooth and stable draw function. For good angular cuts the turntable has a precise angle adjustment facility and for the most common angles there are locking positions. The scales are easy-to-read. Also, the saw head can be tilted to the left for miter cuts. The integrated cutting line laser is an enormous help when working, as is the spindle lock for changing the saw blade. Supports are provided for longer workpieces on the left and right, along with a clamping device for securing the workpieces. The new dust funnel is for removing the sawdust.
