Description

The equip® single display TV cart with stylish, technical and functional design to provide solid presentation solution for most LED, LCD flat panel TVs. Its flat panel TV brackets vertically allow effortless height adjustment to match different viewing needs anytime. Freely tilting allows easy angle adjustment and reduces glare from lights or windows to obtain the optimal viewing comfort. Solid base provides additional security by removing the possibility of tripped over and ensures reliable performance for years of use. Internal cable management hides wires from view to keep a clutter-free appearance. Ideal for conferencing,

public displays or other professional presentation.
