Stay organized at trade fairs and on trips with the TROIKA bag for the trolley. Everything you need to have quickly to hand on the go is stored in this smart bag. Made from polyester in anthracite/black, it features a spacious main compartment, extra zipped compartment, pen loop, mesh pocket and loops for charging cables, etc. Two outer compartments offer space for a water bottle, umbrella and smartphone. Useful: The organizer can be easily attached to the travel trolley and has an extra zipped compartment for trade fair passes, passport, boarding passes and much more. A special highlight: the red elastic bands add a stylish accent.
