

Delock HDMI Port Blocker Set for HDMI female ports 4 pieces + lock tool

Description

With this HDMI port blocker set by Delock HDMI ports can be secured against unauthorized access. The **port blockers housed inside the tool** are placed on the tip, pushed into the HDMI port and block the HDMI socket. A total of 4 HDMI ports can be blocked with the set. Access by cables or similar to the port are then no longer possible. To open the lock, the included tool is required.

Practical design with eyelet

The shape of the tool is reminiscent of a USB stick and, with the eyelet at the rear end, offers the possibility of attaching the port blocker to a key ring, for example.
