

10" Network Cabinet 6U with glass door for stand or wall mounting, 240 mm depth, load capacity 30 kg, 330 x 312 x 300 mm, black

Description

This **mini network cabinet** by Delock can be used for stand or wall mounting and is ideal for the installation of 10" devices e.g. patch panels.

Front door lockable with viewing window

The **10-inch network enclosure** can be locked to ensure greater security. The viewing window always provides an insight into the inside of the network cabinet.

Optimal cable management with brush insert

The **cable bushings** on the top cover plate allow cables to be fed into the cabinet from above. The nylon brushes included on the upper feed-through prevent the ingress of dust and dirt.

Versatile applications

The **home network cabinet** is perfect for smaller network environments and enables secure and tidy installation of IT equipment.

Item no. 43422

EAN: 4043619434220
