

Delock Brush strip 40 mm with aluminium profile angled - length 1 m

Description

This brush strip by Delock can be used to seal doors, windows, gates or roller shutter boxes. The flexible brushes prevent ingress of dust and dirt and keep out draughts.

Easy installation and can be shortened individually

The brush seal can be fixed by screw mounting with a mounting adhesive or double-sided adhesive tape. The aluminium retaining profile can be shortened to the desired length with the help of a metal saw.
