

Delock USB 2.0 extension cable EASY USB Type-A male to EASY USB Type-A female 0.5 m

Description

This cable by Delock allows the extension of a USB connection and can be used to connect various devices. The cable is used both for data transmission and for power supply of the connected device.

User-friendly reversible EASY USB connectors

Both the EASY USB male and the EASY USB female connector are twist-proof and can be used on both sides, so there is no need to pay attention to the correct top or bottom side when inserting a plug.

Item no. 81511
