

## Canon imageFORMULA DR-G2110 A3 High-Speed Production Network Scanner

**Brand :** Canon

**Product family:**  
imageFORMULA

**Product code:** 3150C003

**Product name :** Canon  
imageFORMULA DR-G2110 A3  
High-Speed Production Network  
Scanner

- Ultra-fast scanner - Up to 220 images per minute
  - Highly efficient - 50,000 Scans per day
  - Durable - Robust design
  - Network connectivity - connect directly to the network via a wired LAN connection
  - Capture on touch - Powerful touch with easy operation
  - Easy connectivity and integration - ISIS/TWAIN/WIA and KOFAX VRS Drivers enable integration into various scanning applications
  - Reliable and versatile feeding - Scan mixed documents together with pages being reliably fed into the scanner
  - Energy Efficient - Consume low energy while scanning
  - Superior Image quality - Enhanced image processing with Active Thresholding
- A3, CIS, 600 dpi, RGB LED, 500 sheets, RJ-45, USB 3.1

Canon imageFORMULA DR-G2110 A3 High-Speed Production Network Scanner:

### Fast and durable A3 production scanner

Optimised for customers who demand exceptional high-speed productivity, superior image quality and dependable feeding performance, this A3 scanner is robust, simple to use and performs quietly

| Scanning                           |                   | Paper handling                          |                                  |
|------------------------------------|-------------------|-----------------------------------------|----------------------------------|
| Maximum scan size *                | 305 x 432 mm      | Auto Document Feeder (ADF) media weight | 20 - 209 g/m <sup>2</sup>        |
| Optical scanning resolution *      | 600 x 600 DPI     | <b>Ports &amp; interfaces</b>           |                                  |
| Colour scanning                    | ✓                 | USB port *                              | ✓                                |
| Duplex scanning *                  | ✓                 | USB version                             | 3.2 Gen 2 (3.1 Gen 2)            |
| ADF scan speed (b/w, A3)           | 120 ppm           | Standard interfaces                     | RJ-45, USB 3.2 Gen 1 (3.1 Gen 1) |
| ADF scan speed (colour, A3)        | 120 ppm           | <b>Network</b>                          |                                  |
| Duplex ADF scan speed (b/w, A4)    | 240 ipm           | Ethernet LAN                            | ✓                                |
| Duplex ADF scan speed (colour, A4) | 240 ipm           | <b>Power</b>                            |                                  |
| Design                             |                   | Power supply type *                     | AC                               |
| Scanner type *                     | Sheet-fed scanner | Power consumption (typical)             | 66.5 W                           |
| Product colour *                   | Black, White      | Power consumption (standby)             | 3.5 W                            |
| Built-in display *                 | ✓                 | AC input frequency                      | 50 - 60 Hz                       |
| Performance                        |                   | Input voltage                           | 220 - 240 V                      |
| Sensor type *                      | CIS               | <b>Weight &amp; dimensions</b>          |                                  |
| Light source                       | RGB LED           | Width                                   | 480 mm                           |
| Daily duty cycle (max) *           | 50000 pages       | Depth                                   | 569 mm                           |
| Scanning noise level               | 54 dB             | Height                                  | 315 mm                           |
| Input capacity                     |                   | Weight                                  | 25 kg                            |
| Standard input capacity            | 500 sheets        | <b>Operational conditions</b>           |                                  |
| Paper handling                     |                   | Operating temperature (T-T)             | 10 - 35 °C                       |
| Long-paper mode                    | ✓                 | Operating relative humidity (H-H)       | 20 - 80%                         |
| Maximum ISO A-series paper size *  | A3                | Operating temperature (T-T)             | 50 - 95 °F                       |
| Logistics data                     |                   |                                         |                                  |
|                                    |                   | Harmonized System (HS) code             | 84716070                         |
