Sleek and subtle

Two choices let you go totally transparent to show off your phone's colour, or add another layer of depth with a clear black tint. When the case is on, the slim profile easily slides into your pocket or bag, while the smooth shape maintains the comfortable grip of your phone, too.

Battles against bumps and scratches

Made of a durable and flexible material called TPU^[1], this case safeguards your phone against the shocks and scratches it may encounter during the day. A clear case made to protect your phone.

Tie on some fun

It's easy to add some fun to your phone. Simply slip the strap or lanyard through the corner to personalise your case and make your phone stand out from the crowd.
