eSTUFF Standard Privacy Filters - Everyday Protection for Your Screen and Your Privacy

Safeguard your sensitive information wherever you work – whether you're commuting, in a meeting, or at your desk. eSTUFF's Standard Privacy Filters help protect login credentials, personal data, and confidential business information from unwanted glances.

Clear View for You, Privacy from the Sides

Enjoy sharp, clear screen visibility when viewing straight on, while the filter's advanced "black-out" technology blocks side views beyond a 60-degree angle. It's a simple yet powerful way to keep your screen private in public or shared spaces.

Added Screen Protection, Smooth Touch Experience

Beyond privacy, the filter acts as a protective layer for your screen, helping prevent scratches and surface damage. Its smooth finish ensures effortless swiping, tapping, and typing.
