Easy smart lighting

Step into the world of smart lighting with this Philips Hue Essential starter kit, featuring three full-colour and tunable white bulbs that you can easily adjust from warm and cosy to cool white light. Set the perfect mood with smooth dimming, millions of colours and a library of light scenes designed by our experts – or create your own! Connect to the included Hue Bridge to take advantage of the endless list of features. Control using your voice, the app or any smart accessory.

Limitless possibilities

- Play with smart colour lights
- Sync films, TV programmes, music, and games to smart lights
- Smart home automation hub: Hue Bridge

Easy smart lighting

- Control lights with your voice*
- Create a personalised experience with colourful smart light

Highlights

Play with smart colour lights

There's no limit with Philips Hue: with over 16 million colours, you can transform your home into the perfect party venue, bring a bedtime story to life and much more. Use preset, coloured light scenes to evoke the feeling of summer any time you'd like, or use your own photo to relive a special memory.

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room, or just a single lamp.

Sync films, TV programmes, music, and games to smart lights

Bring your entertainment to new heights by syncing the action on the screen or the beat of your music to your smart lights.* Choose the way you'd like to sync your lights to your film, music (including with our Spotify integration!), TV programme or game and watch as the colour-capable lights in your Entertainment area react. *Hue Bridge required

Create a personalised experience with colourful smart light

Transform your home with over 16 million colours, instantly creating the right atmosphere for any event. With the touch of a button, you can set a festive mood for a party, turn your living room into a movie theatre, enhance your home decor with colour accents, and much more.

The Hue Bridge

The Hue Bridge is an essential component to a personal Philips Hue smart lighting system. It is the brains of the operation, communicating with both your smart light lamps and the Hue app to ensure that everything works together. It also enables smart home automation features like scheduling routines and timers.

Specifications

Lamp dimensions

- Dimensions (WxHxD): 60 x 111

Design and finishing

- Colour: White
- Material: Synthetic

Durability

- Number of switch cycles: 50,000
- Nominal lifetime: 25,000

Environmental

- Operational humidity: 5% <H<95% (non-condensing)
- Operational temperature: -20°C to 45°C

Extra feature/accessory incl.

- Batteries included: No
- Hue Bridge included: Yes

Guarantee

- 2 years: Yes

Light characteristics

- Colour rendering index (CRI): ≥80
- Colour temperature: 2200-6500 K

Packaging information

- EAN: 8721103103673

Power consumption

- Standby power consumption: 0.5 W
- Power: 3 W

Service

- Warranty: 2 year(s)

Technical specifications

- Diameter: 60 mm
- Weight: 50
- Bulb technology: LED
- Energy class included light source: F
- Fitting/cap: E27
- IP code: IP20 | Finger-protected
- Lumen output at 2700K: 806

The Bridge

- Diameter: 88 mm
- Frequency band: 2400-2483.5 MHz
- Height: 26 mm
- Max. number of bulbs: 50
- Mounting options: Desktop, Wall
- Power adapter: 100–240 V AC / 50–60 Hz
- Power consumption: 250mA max

The bulb

- Diameter: 60 mm
- Form factor: A60
- Height: 111 mm
- Input voltage: 220V-240V
- Light output: 16 million colours, White and colour light
- Lumen output: 806 lm @ 2700K
- Max. operation power: 8 W
- Power factor: 0.5
- Software upgradable: Yes
- Start up: Instant 100% light output
- Wattage: 8 W
- Wattage equivalent: 60 W

The switch

- IP rating: 20

What's in the box

- Bridge: 1
- Ethernet network cable: 1
- Hue bulbs: 3
- Power adapter: 1
