Incase Compact Sleeve with Woolenex for 14" MacBook Pro (M1-M4, 2021-2024):

The Incase Compact Sleeve's premium design beautifully complements the streamlined form of your MacBook, while its plush faux-fur lining helps prevent scratches and bumps. We designed the Compact Sleeve with refined practicality that focuses on function and convenience, like an unexpected yet fundamental pocket that fits iPhone or a MacBook charger (cable and adapter) and leather zipper pulls. The minimal design is complimented by the refined, Woolenex exterior, woven from both 300D and 600D polyester that retains a slim form with the high-tensile strength meaning you can use it consistently over extended lengths of time. The unique weave results with a lightweight, durable textile with beautiful color depth that propels the elements.
