Glittering flower house with unicorns, lake and stable

[schleich BAYALA Glittering flower house with unicorns, lake and stable:](#)

In the light of the morning sun, the flower house gleams in soft colors of nature. You can invite all your elf friends here. There's plenty of space and feed in the stable for the horses. You can tell stories, dream or head off on new adventures here.

The elf houses are all unique and beautiful - but this one is like a dream come true. In the light of the morning sun, the soft colours of nature gleam. A bubbling water slide gushes down from the top floor into a small lake. Horses, elves' faithful friends, graze in front of the house. And look, unicorns even come here to drink from the clear waters. Anyone who lives here simply has to be happy. Invite your elf friends over here, watch the shy magical creatures with them or prepare a tasty elf meal together. There's plenty of space to feed the horses in their stable. You can tell each other stories, simply dream or head off on new adventures here. Do you fancy it?
