Dog food Maxi Senior Poultry, 1 x 12.5 kg

Bosch Hundefutter Maxi Senior Geflügel, 1er Pack (1 x 12.5 kg) Poultry, Rice:

Maxi Senior with fresh poultry & rice is strongly reduced in calories, protein, and minerals and thus meets the nutritional needs of older dogs of large breeds (from 25 kg final weight) from 7 /8 years of age and older). The reduced calorie content (only 6.5 % fat) combined with an increased fibre content (6.5 % crude fibre) reduces the risk of your senior dog's putting on weight as it slows down with age.

Our Maxi Senior with fresh poultry & rice is made with a high percentage of fresh poultry (20 %) and rice (18 %) and no wheat. The use of colostrum and the specific immune complex of mannans and glucans (developed by nutrition specialists) strengthen your dog's immune system.

* Even with the utmost care in the manufacture and packaging of our products, traces of other animal protein sources or (gluten-containing) cereals cannot be completely excluded.
