British Shorthair Cat

schleich FARM WORLD British Shorthair Cat:

This British Shorthair Cat looks very striking because it has almost bluish-looking fur. The hair is short, as its name suggests, but its fur is very dense and fluffy. Just ideal for curling up in the lap of your loved one and be stroked. Who wants a cuddle now?

Got something tasty there? With wide eyes, the British Shorthair Cat looks up and fixes its eyes on the plate. Who could resist? Of course, the fluffy play figure deserves a treat. It daintily samples the food and then cleans her shimmering bluish fur thoroughly afterwards. She likes to be cozy and spends her days indoors. She isn't keen on going outside at all. She prefers to be pampered by her human and enjoys long cuddles on the couch. You can't say no to that, surely?
