

## Bosch GSB 12V-35 Professional 1750 RPM Black, Blue, Red

**Brand :** Bosch

**Product code:** 0 601 9J9 002

**Product name :** GSB 12V-35 Professional

Bosch GSB 12V-35 Professional. Product type: Power screwdriver, Handle shape: Pistol handle, Product colour: Black, Blue, Red. Idle speed (max): 1750 RPM, Idle speed (1st gear): 460 RPM, Idle speed (2nd gear): 1750 RPM. Power source: Battery, Battery voltage: 12 V, Battery technology: Lithium-Ion (Li-Ion). Width: 52 mm, Depth: 170 mm, Height: 160 mm

| Features                             |                   | Performance                                  |                      |
|--------------------------------------|-------------------|----------------------------------------------|----------------------|
| Product type *                       | Power screwdriver | Chuck capacity (max)                         | 1 cm                 |
| Handle shape *                       | Pistol handle     | Sound power level                            | 98 dB                |
| Drilling                             | ✓                 | Sound pressure level                         | 87 dB                |
| Adjustable speed *                   | ✓                 | Sound level uncertainty                      | 5 dB                 |
| Adjustable torque                    | ✓                 | Vibration level (screwdriving)               | 0 m/s <sup>2</sup>   |
| Reverse *                            | ✓                 | Vibration level uncertainty (screwdriving)   | 1.5 m/s <sup>2</sup> |
| Product colour                       | Black, Blue, Red  | Vibration level (metal drilling)             | 0 m/s <sup>2</sup>   |
| Motor type                           | Brushless         | Vibration level uncertainty (metal drilling) | 1.5 m/s <sup>2</sup> |
| Built-in light *                     | ✓                 | <b>Power</b>                                 |                      |
| Hanger type                          | Belt clip         | Battery voltage                              | 12 V                 |
| Performance                          |                   | Battery technology                           | Lithium-Ion (Li-Ion) |
| Idle speed (max) *                   | 1750 RPM          | Power source *                               | Battery              |
| Number of gears                      | 2                 | Number of batteries supported                | 1                    |
| Idle speed (1st gear)                | 460 RPM           | Removable battery                            | ✓                    |
| Idle speed (2nd gear)                | 1750 RPM          | <b>Weight &amp; dimensions</b>               |                      |
| Torque settings                      | 21                | Width                                        | 52 mm                |
| Screw diameter (max)                 | 8 mm              | Depth                                        | 170 mm               |
| Drilling diameter in steel (max)     | 1 cm              | Height                                       | 160 mm               |
| Drilling diameter in wood (max)      | 3.2 cm            | Weight                                       | 800 g                |
| Drilling diameter in brickwork (max) | 1 cm              | Battery weight                               | 200 g                |
| Maximum torque (soft applications)   | 20 N·m            | Package width                                | 226 mm               |
| Maximum torque (hard applications)   | 35 N·m            | Package depth                                | 334 mm               |
| Chuck capacity (min)                 | 0.8 mm            | Package height                               | 105 mm               |
|                                      |                   | Package type                                 | Box                  |
