Magic Peacock

[schleich Magic Peacock:](#)

With its magnificent tail feathers, the Magic Peacock is simply delightful to look at. It stretches its slender neck and gracefully bows its head. Its regal crown sways slightly in the breeze. Adorable!

Gracefully, the Magic Peacock spreads its transparent wings to take to the skies. From up there, the Magic Peacock has everything in view - wonderful! It circles above our heads, gazing down on the meadows and forests below. Suddenly it feels like doing something crazy and does a loop with its moving wings. It can do some great acrobatics in the air. What a pleasure to watch it sailing through the clouds. Maybe it can carry someone on its back on its next adventurous flight?
