 - Maximum circumferential speed: 80 m/s (depending on rpm and disc diameter)
- AS 46 S BF, 125 mm / 22.23 mm / 1.6 mm, Straight

Bosch 2 608 600 219 angle grinder accessory Cutting disc:

Are you a metalworker who needs an efficient and long-lasting disc to cut stainless steel and metal? The PRO Stainless Steel and Metal offers a good balance between lifetime and speed.

With its thickness of 1.6 mm, the PRO Stainless Steel and Metal Bonded Cutting Disc is a great choice when you need a good balance between lifetime and speed. We used premium aluminium oxide grains to ensure strength and durability. We combined the grains with functional fillers and additives to reduce heat builds-up. A high-quality fibreglass net reinforces the disc, making it safer to use. Plus, we made it iron free. This means you don't need to worry about rust on your workpiece, if you cut stainless steel only.

Bosch 2 608 600 219. Type: Cutting disc, Suitable for materials: Metal, Diameter: 12.5 cm. Quantity per pack: 1 pc(s)
